"FTA really helped me over the summer. There were great players, tons of tennis and it also included fitness. This group pushed me to my limits." -**Justin Rossi**

"The coaches and the group at FTA pushed me to be a better player. There are always great players and the perfect amount of drills and match play." -**Edward Covalschi**

"I would recommend the Franklin Tennis Academy to anybody who wants their child to find their true potential. The coaches take the time to get to know each player, both on and off the court. They work with each player to help them with realistic short term and long term goals. The FTA has a way of making intense training fun." -**Ken Easter**
